

Want to be a CFFC hero? Be a sponsor for CFFC's Living with CF Golf Tournament on **September 9, 2017**. CF is an incurable chronic disease that typically involves persistent lung disease and digestive problems. The Cystic Fibrosis Family Connection (CFFC) was established to support the Rochester/Finger Lakes CF community by: providing financial assistance, serving as advocates, facilitating the exchange of information, and raising public awareness.

Sponsorship of this event goes directly to support people living with Cystic Fibrosis (CF) in the Rochester/Finger Lakes region. There are a variety of sponsor levels – one will probably meet your capacity to support our tournament:

- \$500 – gift bag sponsor – your logo will be placed on the gift bag given to each golfer.
- \$100 – hole sponsor – your logo placed at the tee of a designated hole.
- Prize sponsor – gift certificates, gift cards or merchandise bearing your company logo

All sponsors will be recognized in our tournament program and on the CFFC web site.

CFFC is recognized by the IRS as a **501(3) (c) charitable organization (ID #22-3243677)**. CFFC is also registered with the NYS Attorney General's Charities Bureau.

If you have any questions or need further information, please contact Greg Smith at gsmith@cffamilyconnection.org or **585-764-1746**. Thank you in advance for supporting a very important cause.

Warm regards,
Cystic Fibrosis Family Connection
